WHAT TO EXPECT

WHEN DRIVING

ROSECRANS STREET + LIBERTY STATION

Rock Academy Camps are located in the beautiful area of Liberty Station. We value the opportunity to serve you but know that driving on Rosecrans can be a challenge. Fortunately, traffic is reduced during the summer when school is not in session.

TRAVELING TO CAMP

Traveling to camp from I-8 will mean that you will be in a little traffic, mainly between I-15 and CA 163. From SDCCU Stadium, you can expect a drive time of 20-25 minutes to get to camp, if you are traveling between the times of 7AM and 9AM. Traveling to camp going on I-5 South is really simple as most morning traffic is traveling in the opposite direction. Traveling from Clairemont Town Square should not take more than 20 minutes. Of that time, 5-7 minutes will be on Rosecrans.

TRAVELING HOME

Traveling home from camp on I-8 will mean you will experience more traffic that is heading east. Even with this said, one would be able to reach Snapdragon Stadium in 25-35 minutes on average. At times, getting onto I-8 from Rosecrans will take patience with red lights and many cars trying to get onto the freeway.

Traveling home from camp on I-5 North has the most evening traffic. You could reach Clairemont Town Square in around 20 minutes on average.

DROP OFF/ PICK UP

WHERE TO DROP OFF/ PICK UP

Drop Off and Pick Up will take place at the Cafeteria entrance which is accessible through the building Lobby. We will sign in and sign out electronically.

SIGN IN & OUT POLICY

Parents **MUST** sign their child IN and OUT each day. Only parents, or persons authorized in writing will be allowed to pick up a child. Photo ID is **ALWAYS** required. We also ask that for the safety of the children at the camp, you only come to the cafeteria for sign in and sign out. Please do not go out to the field when dropping off or picking up your child.

LATE PICK UP POLICY

A \$2 per minute late fee per child will be charged to the person picking up the child(ren).
